Surface Pro: The most versatile laptop

Surface Pro is ultrathin, fast and versatile, the perfect balance of portability and power. With 7th generation Intel Core processors and up to 1TB of storage, it's built to run professional-grade software. Businesses are discovering how Surface works with Windows 10 and Office 365 to help them access to the right documents, without letting them fall into the wrong hands.

The most luxurious Surface Pro Keyboard and cover

Choose the color that best expresses your style. Surface Pro Signature Type Cover comes in rich colors – Platinum, Cobalt Blue, and Burgundy – that coordinate with the new Surface Pen and Surface Arc Mouse.

Your space, perfected.

Complete your Surface experience with Surface accessories.

Surface Arch Mouse

Slim, light and ready to travel, Surface Arc Mouse is designed to conform to your hand and snaps flat to fit easily in your bag.

Surface Pen

Create without limits. New Surface Pen is better and faster than ever, with precision ink on one end and a rubber eraser on the other.

Surface Dock

Surface Dock instantly transforms your ultraportable Surface into a desktop PC.
